Barry W. Halloran
Lone Wolf Dezign and Build 6
Knights Pond Lane
Wolfeboro, N.H. 03894

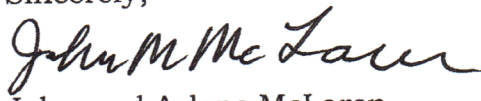

To Whom It May Concern:

We hired Mr. Halloran, owner of Lone Wolf Dezign & Build, to construct a home for us on Squam Lake. His in-depth knowledge of every facet of construction from design through build was invaluable throughout the entire process. His ability to take all of our ideas and suggestions and convert them to working solutions was great.

The finished product exceeded our expectations and it is with great pride that we show our new home to friends and family and we ~~are~~ quick to point out the excellent craftsmanship that was used throughout our home.

We would not hesitate to recommend Mr. Halloran to anyone looking to build a quality home.

Sincerely,

John and Arlene McLaren
